

Mike Blach

President & CEO, Blach Construction Company

Summary

President & CEO of an award-winning, growing commercial building contractor and construction manager working throughout California. The firm was recently named the #1 employer in the 2010 Best Places to Work in the Bay Area survey by the San Jose/Silicon Valley Business Journal and San Francisco Business Times (100-499 employee size category). The same publications also recognized the company as the builder of the Private Green Project of the Year and the Public Project of the Year.

Specialties

Blach Construction builds and manages all types of commercial, industrial and institutional facilities, with a focus in education, healthcare, upscale office, community and religious, technology, life science and retail. The Company is committed to sustainable design and construction and was one of the first general contractors in the country to join the U.S. Green Building Council.
